DAY 1

INTRODUCTION TO THE WILD

You will be collected by one of our friendly guides, meeting and setting off with fellow travellers towards a private game lodge situated in a Big Five Game Reserve (part of the Greater Kruger). At around 17h00 we board the open Landcruiser for an exciting Big Five Sunset Game Drive. Watch the magnificent African sunset, and after darkness falls, rangers use powerful spotlights to locate animals. The light from the spotlight is reflected by the tapetum behind the

animal's retina – so what one sees first is the “eyes” of the animal. This first introduction to the wild will continue with a candle-lit dinner, served in the middle of the African bush. While enjoying the magical atmosphere of the Bush Boma, you'll taste one of South Africa's favourite dishes: the famous Braai! After dinner continue with the night drive and overnight in your tent.

ACCOMMODATION: Tents equipped with beds and bedding, soap, towels and electric lights (2 or 3 single beds per tent) - outside shared bathrooms.

INCLUDED MEALS: Dinner

DAY 2

KRUGER NATIONAL PARK

Guests and luggage will be collected and taken for breakfast. After breakfast, we head towards the Kruger National Park on the open-sided Game Viewer vehicle and enter the park at Orpen Gate. The added elevation and absence of windows allow for excellent viewing and photographic opportunities. The day will be spent leisurely driving, and eagerly seeking out whatever game comes our way. Your qualified guide will show you various animals, large and small, that frequent this outstanding wildlife paradise and will stop as often as desired for prime photo opportunities or to answer any questions.

The zone of Kruger you visit has the highest percentage population of giraffe, zebra, wildebeest and impala that attract numerous lions and other predators. Our route will take us to our lunch spot at a rest camp where you'll be able to sit at a restaurant and/or buy snacks and refreshments at own costs. Lunch also offers a welcome opportunity to stretch your legs and enjoy a little shopping. The rest of the afternoon is spent trying to find those animals that have eluded us during the morning drive. We then make our way to a new Safari Camp where dinner will be served and where you'll be able to reflect and share your experiences of the last few days with fellow travellers.

ACCOMMODATION: Tents equipped with beds and bedding, soap, towels, electric light & fan. (2 or 4 single beds per tent) - outside shared bathrooms

INCLUDED MEALS: Breakfast, Dinner

3 DAY BUSH TENT

DAY 3

RETURN THROUGH BLYDE RIVER CANYON

Before leaving the wild, you'll enjoy an early morning Bush Walk in another part of the Game Reserve accompanied by an armed ranger. You will be shown various interesting details of the bush, including insects, spoor and scats. You have an excellent chance of encountering Buffalo, Nyala and other game on foot. After breakfast, we head

towards a well-known touring spot: "The Three Rondavels", part of the Blyde River Canyon, which is the third largest canyon in the world. Thereafter we continue on our journey back to Gauteng where we should drop you by your accommodation or airport at around 17:00.

INCLUDED MEALS: Breakfast
