# 3 DAY LODGE & CHALET SAFARI

## DAY 1

### INTRODUCTION TO THE WILD

You will be collected by one of our friendly guides, meeting and setting off with fellow travellers towards a private game lodge situated in a Big Five Game Reserve (part of the Greater Kruger). After checking in, you may rest in your air-conditioned, en suite chalet, have a quick refreshing dip in the pool, unwind at the bar or relax in the beautiful gardens. At around 17h00 we board the open Landcruiser for an exciting Big Five Sunset Game Drive. Watch the magnificent African sunset, and after darkness falls, rangers use pow-

erful spotlights to locate animals. The light from the spotlight is reflected by the tapetum behind the animal's retina – so what one sees first is the "eyes" of the animal. This first introduction to the wild will continue with a candle-lit dinner, served in the middle of the African bush. While enjoying the magical atmosphere of the Bush Boma, you'll taste one of South Africa's favourite dishes: the famous Braai! Overnight in your comfortable, air-conditioned en suite thatch-roofed chalet.

**ACCOMMODATION:** En suite air-conditioned chalet at a private game Lodge. The chalets have a tea/coffee station and are supplied with shampoos and insect repellent.

**INCLUDED MEALS:** Dinner

## DAY 2

### KRUGER NATIONAL PARK

After breakfast, we head towards the Kruger National Park on the open-sided Game Viewer vehicle and enter the park at Orpen Gate. The added elevation and absence of windows allow for excellent viewing and photographic opportunities. The Orpen/Satara region has the greatest concentration of animals in the whole of Kruger Park. Sightings of the Big Five are frequent. You will have a great day of game-viewing and bird-watching in this truly outstanding wildlife paradise. Your qualified guide will show you various animals, large and small, that frequent this outstanding region and will stop as often as desired for prime photo opportunities or to answer any questions.

The zone of Kruger you visit has the highest percentage population of giraffe, zebra, wildebeest and impala that attract numerous lions and other predators. Our route will take us to our lunch spot at a rest camp where you'll be able to sit at a restaurant and/or buy snacks and refreshments at own costs. Lunch also offers a welcome opportunity to stretch your legs and enjoy a little shopping. After some more leisurely game-viewing, we make our way back to our lodge where dinner will be served and where you'll be able to reflect and share your experiences of the last few days with fellow travellers.

**ACCOMMODATION:** En suite air-conditioned chalet. The chalets have a tea/coffee station and are supplied with shampoos and insect repellent.

**INCLUDED MEALS:** Breakfast, Dinner

## DAY 3

### RETURN THROUGH BLYDE RIVER CANYON

Before leaving the wild, you'll enjoy an early morning Bush Walk in another part of the Game Reserve accompanied by an armed ranger. You will be shown various interesting details of the bush, including insects, spoor and scats. You have an excellent chance of encountering Buffalo, Nyala and other game on foot. After breakfast,

we head towards a well-known touring spot: "The Three Rondavels", part of the Blyde River Canyon, which is the third largest canyon in the world. Thereafter we continue on our journey back to Johannesburg where we should drop you by your accommodation or airport at around 17:00.

**INCLUDED MEALS:** Breakfast
